### TELL THEM FROM ME SURVEY!

Thank you to the 50 parents who have already completed the Tell Them from Me Survey. A reminder that this survey is your chance to give feedback to the school and how we can improve schooling for the children of Rutherford.

Please follow the link below to complete the survey. All participants remain anonymous. Parents who take the survey may like to fill in the response slip in this newsletter to go into the draw to win a **\$200 IGA gift voucher**. Please return the response slip to the office. The draw will take place at the end of the term.

Thank you for your time!

Anyone who does not have access to a computer can see Mrs Gandhi (CLO), who will have school computers set up at the front entrance before and after school each day this week. Each parent who completes the survey with Mrs Gandhi will receive a little treat!

The survey can be found at:

<https://nsw.tellthemfromme.com/9pr2p>

### MRS DOW TO RECEIVE UNIVERSITY PRIZES

Congratulations to Mrs Sharon Dow, class teacher of 5S, who will receive the Peter Garland Memorial Prize and the University of Newcastle Callaghan Prize for Bachelor of Teaching (Primary)/Bachelor of Arts in recognition of her performance during the 2015 academic year at the University of Newcastle.

Mrs Dow officially graduates in October, and has been selected to receive these prizes as a result of her hard work and dedication in her pre-service training.

We are all very proud of you!

### CONSTABLE STEELE TO TALK ON CYBER SAFETY

Constable Michael Steele will talk to all Stage 3 students this Thursday, as part of raising awareness of cyber-bullying and crime. It is important for all our students to be aware of the potential dangers when online and how to avoid problems.

We thank Constable Steele for visiting the school and giving up his time to talk to the students.

### OC CLASS PLACES IN DEMAND

The Opportunity Class (OC) continues to draw strong interest from around the district. We have a large number of students applying for a position in the class for Year 5 in 2017. Applications had to be submitted in Term 2 this year.

There are just 15 places available for students each year, and the competition to gain a place is very high. Students should receive notification whether they will be offered a place over the next few weeks. Students who do not gain a place may be placed on a waiting list. Some students will not be offered a place due to the high number of applications this year.

### NEW DEMOUNTABLE

A new demountable building will be sited at the rear of the kindergarten rooms over the coming weeks, as we prepare for additional classes. It is anticipated that this will have minimal impact upon school routines.

### CAPITAL WORK PLANNING

Last week the Project Reference Group (PRG) met with builders, architects and Department of Education officials to start preliminary talks about potential new building work. It will be important for the school community to have their say on how the buildings will be designed and located. Feedback from these meetings will be provided at the P&C meetings and regularly in the newsletter.

Watch this space as we grow!

### THANK YOU

I would like to take the opportunity to thank the staff and the P&C for their support in the passing of my father last week. Remember to tell your loved ones how important they are to you!

## VISUAL ARTS

Visual Arts is an important part of learning at Rutherford Public School. It is part of the Creative and Performing Arts syllabus used in NSW. Students learn about artists and art-making processes, and they create wonderful works themselves.

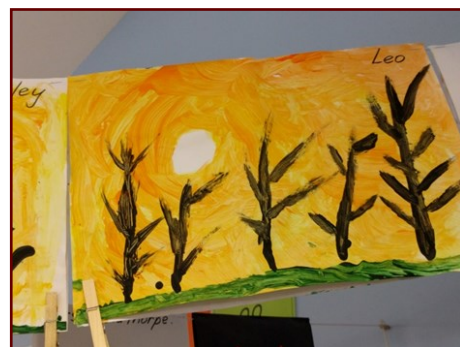

## 2D VISUAL ARTS

Alirah, Gemma, Levi and Eli from 2D stand in front of the class display of visual arts. The students used charcoal to draw trees and added painted leaves. The students were learning to use different media and textures to create artworks.

## 1G VISUAL ARTS

Beautiful artworks fill 1G. In fact, their wet area is called the art gallery.

### GROWING TOWARDS INDEPENDENCE: EMOTIONAL INTELLIGENCE!!

Adolescents with higher emotional intelligence:

- Are more aware, assertive and strong in situations of peer pressure
- Have greater success making friends
- Are more able to manage conflict with peers
- Are more able to cope when upset or angry
- Have fewer mental health and substance abuse difficulties
- Have more stable and satisfying relationships as adults, and
- Have greater career success.

Emotional intelligence may be a better predictor of academic and career success than IQ!

**ENRICHMENT CLASSES:** finished last week, and over 60 students have participated in Science, Visual Arts, Technology, Music and Film making. The experiences gained by going each week to the high school and getting to meet with staff and other students will strengthen their resilience and enhance their emotional intelligence.

Thank you to Mrs O'Donnell for accompanying our students to and from the high school.

**STAGE 3 GALA SPORTS DAY:** This Friday 16th September, the LMG Gala Sport's Day will be held at Maitland Park for our Year 5 and Year 6 students. They will combine with other Year 5 and Year 6 students from our local schools, and play a variety of sports. The students will travel to and from Maitland Park by bus.

There are still a number of outstanding permission notes and bus fares (\$4).

### HUNTER REGION CRICKET

Well done to Brayden Lucas who trialed for the Hunter Region Cricket team, and has qualified for the Possible vs Probables game. This Thursday, he will play from 9:30am to 4:00pm at Hinton Oval. If he is selected, he will play in the State Cricket Carnival, which will be held in Sydney in November.

Another high-achiever will trial for a position in the girls Hunter Region team this Wednesday. Ava Jankovic will be giving her all to gain a spot in the Hunter team that will also tour in November. Proving to be a terrific all-rounder, Ava has represented our school at State Swimming, Zone Athletics and Cross Country.

Good luck to both students!

### STAGE 2 TENNIS

The Stage 2 Tennis program is proving to be a hit (no pun intended)! Students are learning new skills and being exposed to a fantastic sport. It will continue for the last two weeks of term, with students being encouraged to bring hats and drink bottles. Students can also bring their own racquets if they want.

Enjoy!

### K-2 BACKYARD LEAGUE PROGRAM

The K-2 Backyard League program was scheduled to start last week but there was a hitch with traffic, so it will start this Friday, and the last session will be the first Friday back. Have fun!

### REG KELLY SHIELD

The school cricket team played against Thornton Public School at Norm Chapman Oval last Thursday in the Reg Kelly Shield. We lost the toss and were made to go into bat. In the 24 overs, we made a competitive score of 6/87, with Chris Kokkinelis scoring the team high of 28 not out. In the second innings we got off to a great start and by the 12th over we had kept Thornton to 2/24 with Finn Stockwell only one ball away from

achieving a hatrick. In the end, Thornton had chased down our score with only one over to go.

The boys played great and represented the school to the best of their ability. We will still play at least three more games in this competition, and I wish the boys the best of luck.

### UPCOMING DATES:

- 15/9/2016 Adidas Fun Run, School Oval.

### SPRING TIME FOR SOME GARDENING

Gardening is a great outdoor activity for the whole family. As well as an opportunity to teach responsibility, it also increases excitement about eating fruit and vegetables!

For improved success it is best to choose veg that are easy to grow;

- Peas
- Zucchini
- Cherry Tomato
- Radishes
- Potatoes
- Kale
- Spring Onion
- Squash

If you live in a rental property a raised garden bed or planter box can be a great alternative to a regular vegie patch.

Why not start small with a couple of herbs or your child's favourite vegetable?
