Thank you to everyone who came along to our MADD night last Thursday evening. We had an amazing range of items and the night was filled with excited students and proud parents and carers.

MADD night thank you!

Thank you to :

- ♦The staff and students of Rutherford High School for their time, hall hire and expertise running our sound and lighting!
- ♦ The parents and carers for organising costumes and coming along!
- ♦The P&C volunteers who supported the night!
- ♦The amazing dedicated and hardworking staff for all your work, preparation and time rehearsing and getting our students ready!
- ♦To our show director Mrs Lisa Thomas for her drive, passion and dedication!
- ♦ And to the amazing talented and committed students of Rutherford Public School!

Infants Dance

Congratulations to those students who were involved in Infants Dance group this year. Their performance and dedication to MADD night was exceptional. We would like to thank the dancers and their parents for their continued support.

To accompany our lunchtime Dance Group, we will be holding auditions next Wednesday 15th November for an 'Elite Performance team' in the KL classroom at Lunch. We would like Kindergarten and Year 1 boys and girls to try out. We aim to take two teams to perform at Hunter Dance Festival next year.

Mrs Lee and Miss Collins

Thursday 23rd November

9:30am Kindergarten Orientation Session 2 in the school hall

Please bring your children to the school hall, where students will be allocated to a room.

Parents are invited to remain in the hall for parent information sessions.

CLASSES FOR 2018

Planning and class allocations for 2018 are well underway! As you can imagine, trying to place over 900 students into 37 classes can be challenging to get everything right the first time!

Teachers have not yet been allocated to classes and we would like to ask parents to avoid making unreasonable requests. Every effort is made to place students with some of their friends and to make classes harmonious and productive for all.

If you are aware that your child/ren will not be returning in 2018, we would appreciate you letting the office know so we can ensure our enrolment numbers are accurate.

PRESENTATION DAYS

Our school Presentation Days aim to encourage and recognise all students for their learning throughout the year. Our hall is too small to accommodate one large assembly, and we have planned our end of year assemblies for the following dates and times. Please note the Stage 3 assembly will be held at Club Maitland City.

Week 4 - Reg Kelly Shield Rutherford vs Hunter Valley Grammar

On a beautiful sunny day in East Maitland the Rutherford boys' cricket team played against arguably the best primary school cricket team in Newcastle. HVG was sent into bat first and despite some great bowling from Darcy Spalding, Sebastian Richard and Anderson Thompson, they were able to reach a massive total. The boys' from Rutherford caught, chased down and dived for every ball in an attempt to restrict the HVG total.

The top order batsman initially looked comfortable against the HVG opening bowlers but a combination of consistent line, length, swing and speed led to a top order collapse. The game looked like it would wrap up early until Sebastian Richard and Brock McGlashan stepped up to bat. Both boys displayed solid defensive skills, while also playing a variety of attacking shots. Their impressive fightback was only cut short by an unlucky run out. Brock continued his unstoppable batting display, finishing with 26 runs not out.

Hunter Valley Grammar ended up winning the game by a considerable margin but the boys from Rutherford showed great resilience and determination when faced with quality opposition. The defending champions work hard for their victory and for that they should all be congratulated.

Dragon's Nest Breakfast Club

Our mothers always told us that breakfast is the most important meal of the day, and like many favourite old sayings, it contains far more than a grain of truth. Eating a nutritious breakfast is important for everyone – but especially for children, as it can provide up to a third of their daily nutrient needs. It also improves their concentration and they are more likely to be settled and happy and it allows them to participate better in school life. Our breakfast club relies heavily on donations

from the community & help from our volunteers. If you are interested in donating vegemite, honey, margarine, strawberry jam, long life full cream milk, napkins, plastic spoons & cups or would like to volunteer at the breakfast club, please contact Mrs Gandhi (CLO) in the office. We would like to say a big thank you to everyone who supports our Breakfast Club. Please support our Breakfast Club Sponsors

The simplest way

...to be a good role model!

Did you know?

Researchers, parents and teachers know that children imitate adult behaviour. That's why role modelling sun protection is so important!

How you can be a role model:

- **Slip** on clothing which covers as much skin as possible.
- **Slop** on 30+ broad-spectrum, water-resistant sunscreen.
- **Slap** on a broad brimmed, legionnaires or bucket hat.
- **Slide** on some wrap-around sunglasses.
- **Seek** shade when outdoors.

Don't forget – when the UV reaches 3, we protect against UV! You and your kids can check the UV level together by downloading the SunSmart app!

Set a positive example and your kids will follow your lead!
